

A Fundraising event for Peacemakers

Following the successful fundraising event of last year, Peacemakers will be having another event this August. It will be a cream tea and crafts afternoon on:

Monday 8th August from 2:30 - 5:30pm

It will be held at 7 Taywood Close, Stevenage SG2 9QP

The cost will be £10 each

During the afternoon you will be able to make several cards using different techniques. All materials will be provided. There will also be a raffle and a stall selling crafts. The activities will be held in the garden unless rain forces us in-doors.

We do hope you will be able to support Peacemakers.
If you are able to come, please let Brenda or myself know.

Thank you, Clare

About Peacemakers:

Brenda leads Peacemakers which is a charity working in rural Kenya providing direction and support for a variety of community based projects. At present they are helping the Kenyans with a building project. The new facilities they are building will help to further education, equip and empower the local community to become even more self-supportive, leading to less poverty, healthier and happier lives for the young and old.
